Sir,

I have the honor to state that in pursuance of the arrangements received with Government Proceedings No. R 2407-10 / R. Misc. 96 dated 26th November 1902 sanctioning an annual grant of Rs 50,000 for the Hassan district for working expenses of the estates of the

the Agricultural Bank at Salisbury, an estimate of the sums required by the members of the Board for which the Estimate was on the 12th Ultimo forwarded to Mr. Pilkington, Inspector of Coffee Estates, for checking and report after inspection of the Coffee Estates. It is reported that that Officer has not yet found it convenient to go to Salisbury, nor has he returned the Estimate so as to enable me to grant money for working expenses from this month as per paragraph 5 of the arrangements quoted above.

As the Assistant of the
Bank passed me for the loan
and the Sub division Officer
recommended for the grant,
I have placed Rs 5000/- at
the credit of the Bank in the
Manjanbad Taluk treasury
pending adjustment after
receipt of report from the
Inspector of Coffee Estates.

Mr. Gillingham has been
addressed through the sub
division Officer to expedite
inspection of the Estates
with a view to render
expert advice in the matter
of granting further advances
which

which are badly required during the present working season.

In the concluding portion of Government proceedings cited above, it is directed that the Bank should execute the necessary agreements in favour of Governments.

The Bank has embodied the special resolutions in their Articles of Association which they have got registered. Beyond the memorandum and the Articles of Association, no further agreement is in any opinion necessary called for and I beg to be instructed whether any

any is required, and if
so in what form.

I have the honor to be

Sir
